### CANSURVIVE & IT'S PURPOSE

Cansurvive is a support and information service for those who are challenged with cancer. Not just information and support, but a service that offers a greater awareness of the benefits of holistic, non-invasive cancer therapies, nutrition and diet, as well as orthodox treatments; what is available and where to access them. It is a window of light into the world of healing, where the word "Terminal" is a challenge, not a death sentence.
