CHECK WITH A MEDICAL DOCTOR FIRST

This is an Education Event. It is NOT a preview or promotion of any particular modality of treatment for cancer. The opinions expressed by speakers are their own and do not necessarily reflect our official position. Articles and information on therapies published (by us) are NOT intended to replace conventional, orthodox medicine, but rather to complement it. Please always consult a medical doctor or your health practitioner as to the suitability of any treatment or therapy before adopting it.

The venue is sponsored by our
 Gracious Host:
